

From Pastor Joe Gonzales

As a dedicated pastor, I bring a unique blend of academic and life experiences to my ministry. I graduated from San Francisco State University with a degree in Sociology and Human Sexuality and later earned a Masters of Divinity and a Masters of Religion and Social Justice from the Pacific School of Religion of Berkeley, CA. Born in Ventura County and residing in Northern California for 19 years, I've cultivated a deep connection to my community.

Outside of my pastoral duties, I enjoy 4x4ing in my Jeep and 4Runner, as well as visiting theme parks. I have been happily married for 14.5 years, sharing my journey with a supportive partner.
